

# FLEET MANAGEMENT SOLUTION FOR MICROSOFT DYNAMICS 365 FOR OPERATIONS

ANNATA 365  
FOR FLEET

**Annata 365 for Fleet** is a modern cloud-based management solution that meets today's and future business and operational needs for the Fleet management industry.

**Annata 365 for Fleet** is a management solution fully integrated with Microsoft Dynamics 365 for Operations, using the standard features of Dynamics for Operations, as well as additional features specially designed to support the contract hire and fleet management business. It handles all key business processes during the entire vehicle's life-cycle "from cradle to grave".

## WHAT DO YOU GAIN?

- **Functional fit** solution out of the box for **your industry** needs.
- Facilitating your **digital transformation**.
- Certified **future proof solution** through Microsoft Certified programs (CfMD).
- Full integration of **all key business processes** driven by industry specific needs and developed by experts.
- Mostly replacing high number of bespoke **nonintegrated systems**.
- **Process automation** needs, work-flows and **process alerts**.
- **Strong references** around the world to back claims.
- **Powerful**, but easy to use analytic tools.

 ANNATA 365
